Connecting with us prior your stay - Feel safe to travel

Connect with our Reservation/Concierge team to craft your pre-stay holiday experience in the best hygiene setting of your wish and to enable fast-track pre-check in options.

Premium airport arrival & pick-up experience

Our limousine chauffeur will welcome you safely and handle your luggage through sanitizing and safe loading. Enjoy the safe journey with our compliments in car guests sanitizing kit.

Hotel hygiene standard for guests comfort and healthy employees

All our front liners employees and back liners are hygiene trained, groomed with personal protective equipment (PPE) and undergo a daily health check prior onboarding.

Safe fast track check-in

Rapid health check system in place for your wellbeing. Effort free and safe luggage drop off to the room. Quick contactless hotel orientation procedures and check-in formalities to preserve social distancing and hygiene rules.

Room care "stay safe" concept

Daily sanitized guest's room with contact free cleaning services available at preferred cleaning time using international branded green care product and audited door sealed after cleaning. Enjoy the complimentary portable hand sanitizers and wipes available in your suite / villa.

Guests' common areas

Door-handle free areas, pop-up sanitizing station with gel and wipes covering a 360 degree access for self-service. High touched areas undergo high frequency cleaning with minimum 4 times a day.

Round the clock contact free holiday option

Options to choose full in stay contact free experience by using our online concierge and the concierge chat-function as preferred mode of communication for any service assistance until departure.

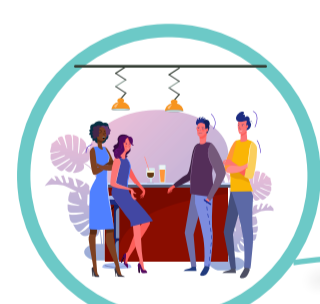

In-room dining

Our unexhausted menu card offer allows a perfect choice to taste any items from our restaurants with complimentary tray charge and contact free delivery service.

Unique dining restaurant experience

All restaurants and bar are uniquely configured to meet minimum 3-meter distancing between each other with safe table service option or contact free option. E-menu available on our app for selection and contact free billing option is also available.

Kids stay, play and eat safe

Kids club is daily sanitized, health check procedure for each kids is followed and all activities scrutinized to meet the hygiene standard by our qualified kids club team.

Private sporting and wellness offerings

Gym, lap pool, jacuzzi, sauna, tennis courts and fully lit jogging track is available on a complimentary basis and operates under private reservations. Social group wellness session operates with limited amount of attendees to respect the minimum 3 meter distancing.

Golf excellence

Discover golf with our partner Avalon Golf Estate applying the latest procedures for a safe game.

Sunshine at its best

A minimum 5 meter distance is respected for each pair of sun lounges between each other with safe service facilities and all Villas have private stand-alone sunbed units.

Farewell departure

Contact free check-out procedures is available until premium departure transfer to your trusted airline counter at the airport.
